IN REPLY REFER TO:
WFC 27 Nov. 79

Manfred Gale
HQ Department of the Army
DAMA-ZD
Washington, D. C. 20310

Dear Manny:

Here are my comments on the Findings and Recommendations—I hope you find them usable.

I'm particularly concerned that the quite negative tone of Findings 1 and 2 lend very little support to the Recommendations. In addition, Recommendation 1 really requires, I think, more committee discussion.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank".

Frank
